

## Tube Primers now available at Medstore!

Over the past few months Medstore and Life Technologies have worked hard to integrate our systems so we could offer you primers via Medstore.

### **New pricing, free shipping and how to order.....**

Free shipping on any sized order via Medstore!

To order simply select the Medstore SKU with your concentration and the length in bases. Once you “add to cart” you’ll be prompted to submit your sequence.
