

Try Bio-Rad's new **SureBeads™**

Protein A and Protein G Magnetic Beads and Magnetic Racks simplify immunoprecipitation, protein complex pull-down, and the isolation of specific protein targets.

Faster IP – say yes to magnetization, no to centrifugation
Easier IP – ergonomically designed
Low Cost
Less Antibody used
Ready to Use

161-4013 SureBeads Protein A Magnetic Beads, 3ml	<u>MedStore Price</u> \$163.68
161-4023 SureBeads Protein G Magnetic Beads, 3ml	\$163.68
161-4916 SureBeads Magnetic Rack, 16-tube holder	\$353.76
