

ENTER TO WIN A FREE MULTICHANNEL PIPETTE!

MedStore – Promotion & CONTEST July 29th - Dec 31st , 2016

Buy 2 cases and Get 1 Free case (equal or lesser value). To Redeem email jennifer.yip@thermofisher.com

Purchase \$50 in eligible Thermo Nalgene Filtration Units, Bottle Tip Filters and/or Thermo Nunc EZ Flip Conical Tubes to enter a ballot to win a F1 ClipTip 8ch Multichannel 300ul pipette from Thermo Scientific (Thermo cat# 4661140) . Ballots will be drawn each month!

ClipTip technology provides secure tip attachment you can depend on. Prevents tips from becoming loose and falling off during operation

- Get the results you expect the first time without having to redo experiments and adjust the tips
- Minimize usage of costly reagents and samples
- Eliminate any chance of cross contamination
