

Why LCS Remanufactured Product....

- 100% Canadian company
- Founded in 1989
- ISO certified
- 500 products currently available
- Custom cartridge builds available for unique opportunities
- Every cartridge tested for quality control
- Every cartridge is serialized and tracked
- Every cartridge benchmarked to the OEM (original) equivalent
- Two year cartridge warranty
- 1-800 local customer support

If you are going to save money and the environment by selecting a remanufactured product, then it's best to work on a factory direct basis for premium support, pricing and customer service.
