* Recommend fast or standard cycling on all instruments except the Applied Biosystems™ 7300 systems, for which we recommend standard cycling.

** Promotions valid in Canada. Promotion code must be presented at time of order. Discount applies to the list price in effect at the time the order is received by Life Technologies. Promotion is valid on orders received by Life Technologies no later than August 31st, 2018, or until promotional supplies are depleted, whichever comes first. Promotion cannot be combined with any other promotions or discounts. Offer void where prohibited, licensed, or restricted by federal, state, or local laws or regulation or agency/institutional policy. Other restrictions may apply.

† No purchase necessary. This promotion is available only to life science professionals 18 years or older in Canada. Sample requests must be received by Life Technologies by June 30, 2018, or until sample supplies are depleted, whichever comes first. The sample size is 1 mL. Limit one sample per laboratory. Cannot be combined with other discounts or promotions. Offer void where prohibited by federal, state, provincial, or local laws or regulation or agency/institutional policy. Other restrictions may apply.
