MyTaq HS Polymerase and Mix

**New Products
and Pricing!!**

**Starting from
\$75 (0.30/per unit)**

- Novel buffer system for superior performance
- Great for multiplexing and for tough templates

- Fast and consistent performance over competition

Bioline MyTaq HS Polymerase and Mix

Cat#	Description	Qty/Case	Price
BIO-21111	MyTaq HS DNA polymerase with 5x reaction buffer containing dNTPs, MgCl ₂ and enhancers	250 U	\$75
BIO-21112		1,000 U	\$275
BIO-21113		2,500 U	\$675
BIO-25045	MyTaq HS Mix – 2x MasterMix containing MyTaq, buffer, dNTPs, MgCl ₂ and enhancers	200 x 50uL rxn	\$199
BIO-25046		1,000 x 50uL rxn	\$799

Promotion valid until September 30, 2018
