

Get consistency. Gain control.

Mix and Match Any 3 Items and Get One Free

On qualifying orders of **Invitrogen**, **Applied Biosystems** and **Thermo Scientific** products **through MedStore**. Qualifying items include PCR and Reverse Transcriptase related products.

SKU#	Name	Sale Price
	All GeneRuler Ladders	
	All FastDigest Restriction and Modifying Enzymes	
	Thermo Scientific brand PCR/qPCR plastics: strip tubes, individual tubes, plates, seals	
EP0712	DreamTaq™ Green DNA Polymerase (5u/μl) – 500 units	\$63.55
EP0713	DreamTaq Green DNA Polymerase (5u/μl) - 5 x 500 units	\$266.45
K1081	DreamTaq™ Green PCR Master Mix (2X) - 200 Reactions	\$89.30
K1082	DreamTaq™ Green DNA Polymerase (5u/μl) - 200 units	\$409.02
F530S	Phusion® High-Fidelity DNA Polymerase, 100 u	\$113.21

Offer valid on MedStore orders from December 6th through December 14th, 2018. Please contact your representatives below to receive your free product!
