Buy 3 cases of Nunc conical tubes and get 1 FREE

Nunc conical tubes

Thermo Scientific™ Nunc™ conical tubes are made from high-purity polypropylene resin. Select from multiple volumes, packaging sizes, and with or without the reusable plastic rack. The large writing area improves sample traceability in the lab. The Thermo Scientific™ EZFlip™ tubes with hinged cap design facilitate one-hand operation during cell culture.

* This promotion is only open to customers in the US (excluding Puerto Rico) and Canada. Valid for orders placed between January 1, 2019 and December 31, 2019, or until promotional supplies are depleted, whichever comes first. Redemptions for the promotional case and proof of purchase must be submitted by December 31, 2019, or until promotional supplies are depleted, whichever comes first. Promotional offers for Nunc Delta surface-treated products and Nunc conical tubes are limited to 5 redemptions per lab. Cannot be combined with other discounts or promotions. Offer void where prohibited, licensed, or restricted by federal, state, provincial, or local laws or regulation or agency/institutional policy. Other restrictions may apply. This promotion is not available to our current or potential health care customers. Health care customers include any health care practitioner, other health care provider, or any individual or organization authorized to prescribe, dispense, purchase, or influence the acquisition or use of medical devices or supplies for clinical use. Health care customers include, without limitation, any "Health Care Practitioner" under the Massachusetts Marketing Code of Conduct Law (defined at 105 CMR §907.004) or a "Health Care Provider" under the Vermont Prescribed Products Gift Ban and Disclosure Law (defined at Vt. Stat. Ann. tit. 18, §4631a(8)). By participating in this promotion, you warrant that you are not a current or potential health care customer. Thermo Fisher Scientific reserves the right to determine your status in the event of a dispute.
