

Unlock New Possibilities with Roche

****Vendor Show**** Back by Popular Demand!

Join us at the **U of T Medstore on Wednesday, September 17th, from 10 AM to 1 PM.**

Didn't get a chance to connect with us in July? Or maybe you have new questions? We're returning to showcase our innovative molecular portfolio. Discover how **Roche** can help your lab succeed and move your research forward.

Special Promotion on Roche High Pure Extraction Kits!

Stop by our table to get an exclusive promotion on our High Pure extraction kits. These kits are designed for quick and efficient isolation of high-quality nucleic acids, helping to ensure the success of your downstream applications.
