MaxRecovery+
Pipette Tips

MAXIMUM SAMPLE RECOVERY

Advanced tip surface technology minimizes liquid retention.

CONSISTENT & PRECISE

Tight tip-to-cone fit and smooth pipetting every time.

PFAS-FREE TECHNOLOGY

Made without PFAS for safer, more sustainable pipetting.

LOW RETENTION DESIGN

Hydrophobic interior surface reduces sample loss.

UNIVERSAL FIT

Fits a wide range of pipettors for maximum flexibility.

MAXRECOVERY+ IS IN STOCK AND AVAILABLE AT THE MEDSTORE.
